

USED TO

Write the correct form of used to

I used to _____ on a farm before I moved to Cape Town. I had never before lived in a city and was not used to the traffic, the noise and the amount of people!

When I lived on the farm, I used to _____ kilometres on dirt roads to get to the nearest shops. That soon changed and today I am so used to _____ to all the shops I can almost not imagine the lifestyle that I used to _____! I quickly got used to the noise and the buzz of the city and I never want to live anywhere else!
