

In each sentence, correct the capitalization mistake(s) and add a period in the end. Look for proper nouns that need a capital letter. The number tells you how many changes you need to make.

En cada oración, corrija los errores de mayúsculas y agregue un punto al final. Busque nombres propios que necesiten una letra mayúscula. El número le dice cuántos cambios necesita hacer.

my cousin albert has an interesting job | mi primo albert tiene un trabajo interesante

(3)

he is a taxi driver in chicago | el es taxista en chicago

(3)

albert owns his own taxi company | albert es dueño de su propia compañía de taxis.

(2)
