

You do not have to read every word to answer the questions. You also do not have to understand every word. Scanning is helpful in finding information.

The next few pages will give you some practice in scanning. Do not try to read every word. Read *only* to find the answers to the questions. Try to work very fast. Your teacher will time you. The Answer Key is on page 259.

Exercise 1

SCANNING AN INDEX

Look for the answers to these questions in the index on the next page. Try to find the page numbers very quickly. Ask your teacher or another student to time you. Write down exactly how many seconds it takes to complete the page. (Hint: The index is in alphabetical order.)
