CHILDREN 07 FINAL EXAM**READING****A) Read and complete the sentences.****FRESH FOOD OR CANNED FOOD**

When you shop for food, you can buy fresh food or canned food. Which is better? I think fresh food tastes better. Fresh food is good for you. It does not have any extra salt or sugar. You know just what you are eating.

But you have to wash it first because sometimes it is a little dirty. There are some positive and negative things about canned foods, too. In my opinion, canned food is more convenient because it lasts longer than fresh food. Also, with canned food you can always have fruit and vegetables –even in the winter. But canned food usually has extra salt and sugar, and I believe this is bad for you. Also, canned food makes more trash because you have to throw the cans away. I think fresh foods are better than canned food.
