

Dan: Hello! What's on the menu today?

Waiter:

Dan: How much is the pizza?

Waiter:

Dan: What drinks have you got?

Waiter:

Dan: How much is an apple juice?

Waiter:

Dan: Can I have a pizza and an apple juice, please?

Waiter:

Dan: Here you are.

An apple juice is one euro, twenty cents.

Today, there's cake, pizza and sandwiches.

Yes, that's three euros, sixty-five cents.

There's milk, water and apple juice.

The pizza's two euros, forty-five cents.
