

Against All Odds (Take a Look at Me Now). -Phil Collins

How can I just let you [] away?

knew

Just let you leave [] a trace

cry

When I stand here taking every breath, with you, ooh

memory

You're the only [] who really knew me at all

remind

How can you just walk away from []?

take

When all I can do is [] you leave

'Cos we've [] the laughter and the pain and even shared the tears

say

You're the only one who really [] me at all

good

So, take a look at me now, oh there's just an empty space

And there's nothin' left here to [] me

one

Just the [] of your face

Ooh, take a look at me now, well there's just an empty space

me

And you coming back to me *is against the odds*

walk

And that's what I've got to []

wait

 *Instrumental* 

I wish, I could just make you turn []

look

Turn around and see me []

empty

There's so much I need to [] to you so many reasons why

You're the [] one who really knew me at all

chance

So, take a [] at me now, well there's just an empty space

without

And there's nothin' left here to remind me, just the memory of your face

Now take a look at me now, 'cos there's just an [] space

around

But to [] for you, is all I can do and that's what I've got to face

Take a [] look at me now, 'cos I'll still be standin' here

shared

And you coming back to me *is against all odds*

It's the [] I've gotta []

face

 *Instrumental* 

Take a look at me now...

only
