

Arrastra las regletas para completar el muro, y escribe el número que corresponda para completa las sumas.

The image shows a classroom environment. At the top, there are four colored bars: green, pink, red, and orange. In the center, a boy and a girl are standing. Between them is a board with a bar chart. The bar chart has a total of 9, indicated by a '9' at the top. The segments are: a green segment with '3', a yellow segment with '5', a black segment with '7', and a white segment with '1'. Below the board are four math problems in boxes:

- $3 + \underline{\quad} = 9$
- $5 + \underline{\quad} = 9$
- $\underline{\quad} + \underline{\quad} = 9$
- $\underline{\quad} + \underline{\quad} = 9$

A small red star icon is in the bottom right corner.
