

**1.** Read this funny story.

Ken went to the pond. He got four fish with his net. Will he put them in a can? Ken looked in the can. His fish had legs. Do fish have legs? Ken's fish are not fish. They are tadpoles. Soon, they will be frogs.

How many interrogative sentences did you read?

How many declarative sentences did you read?

**2.** Look at the picture. Read the interrogative sentences and answer each one with a declarative sentence. Write your sentence on the lines.

What is hiding in the bush?

---

---

---

How many animals do you see?

---

---

---

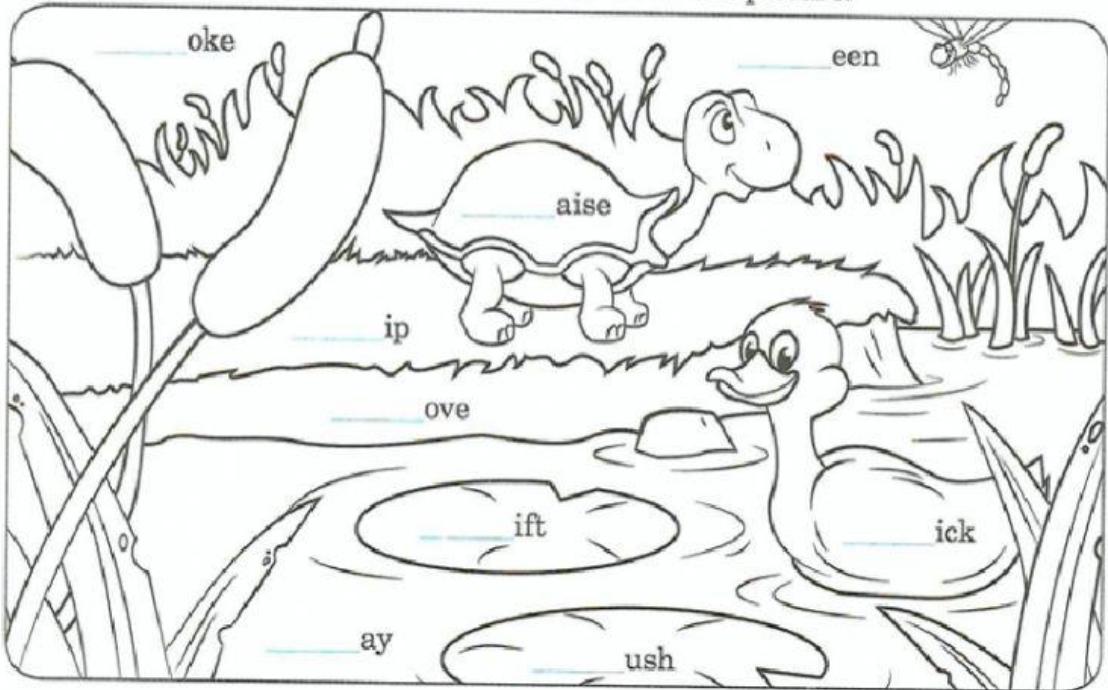

What color is the bird?

---

---

---

1. Write br, dr, pr, or gr to make a word. Color the picture.

2. Draw three lines  $\equiv$  under letters that should be capitalized.  
Add a period. Rewrite the sentence.

gabe had a sheet

he made a tent and hid

rae cannot find him

3. Circle two rhyming words on each lily pad.
