

Match the Anecdote

An **anecdote** is a brief telling or story of an interesting, and usually funny, incident or occurrence.

DIRECTIONS: Draw a line from anecdote to the appropriate speaker.

1.	"When I helped build the bridge in town, we had to order many loads of steel."	Grandma
2.	"I used to bake pies with your mother. When she was kid. We would always make apple pie because it was her favorite."	Circus Performer
3.	"I was juggling a few objects one Show when the child I picked from the audience accidentally tripped and dropped all the objects in my hands."	Construction Worker
