

Birds can fly, but they can't run.

Foxes can't fly, but they can swim.

1 Listen and sing.  36

Animals on the Move

There are some animals on the move, on the move.
There are some animals on the move, on the move.

There are some animals on the move.

Now let's see what they can do!

There are some animals on the move, on the move.

There are some bears on the move, on the move.

There are some bears on the move, on the move.

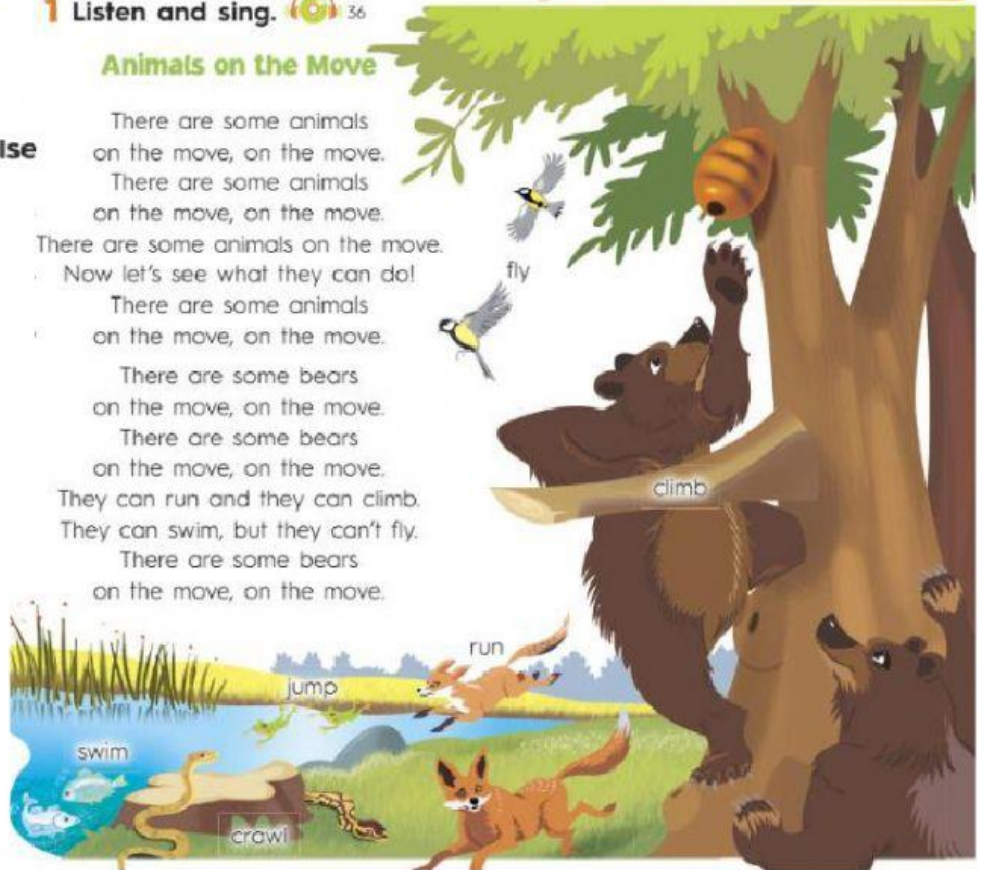

They can run and they can climb.

They can swim, but they can't fly.

There are some bears on the move, on the move.
