1 Read the texts and answer the questions.

Dinosaur Adventure Park (Norfolk, England)

A Visit this forest and see creatures from the Earth's past! Explore the trail in the woods and discover dinosaurs waiting for you. Try to find out how many T-Rex live there!

Too scary? Don't worry, kids can have fun with rabbits, horses and feed some lambs! There are also fun activities, including race cars, a golf course and a large play area.

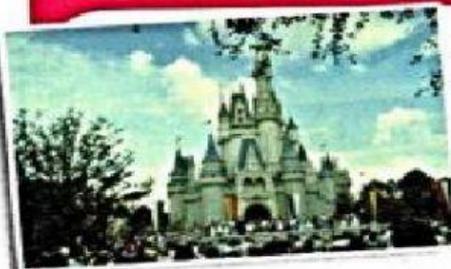

The Water Park (Rhodes, Greece)

B Want to get wet? Go to the largest water park in Europe, based in Faliraki, Rhodes. There are so many water slides here, the fast Kamikaze, the exciting Black Hole and finally the relaxing Lazy River.

Of course, kids have their own area and a Pirate Ship with water guns! If you get hungry there's plenty to eat, like fast food, cold drinks and ice cream! Join in the fun there!

Disneyland (California, USA)

C At Disneyland, the fun never ends. You can walk through the adventures of all your favourite cartoon heroes. First stop, Main Street, USA. See how life was for your grandparents and ride the

Disneyland Railroad. Adventureland is the place to go for excitement. Critter Country has many special rides, but Splash Mountain is the most famous. Fantasyland will make your dreams come true and you can be the star!

At which theme park (A, B or C) can you ...
