Exploring Internet
Grade 5 ICT

Learning Objective: I can judge and evaluate information from the internet

ACTIVITY:

Type 'How big is the biggest dog in the world?' into the search bar. Look at the top three (3) results and type down how big each one says the biggest dog is .

Paste here the top three (3) links

Type down how big the biggest down is

Do they all say the same? Are they all giving information about the same dog?

Type 'How may bees are there left in the world?' into the search bar.
Look at the top three (3) results and type down how many bees each one says left.

Paste here the top three (3) links

Type down how many bees are left

Do they all say the same information?
