

Sun bear's nest

When they arrived back at the river, Sun bear said goodbye to her friends and went back to her nest.

When she arrived back at her nest, she saw that something terrible had happened. Her nest had been destroyed! All of the trees were lying on the forest floor. They had been cut down! Sun bear was very upset. She looked around and saw some big machines, and suddenly felt very scared. I can't stay here, thought Sun bear.

She ran quickly back to the river and told Pygmy elephant and Proboscis monkey about her nest.
