

# paradise

By Coldplay

Identify the verbs in the lyrics of the song and put them in their correct space.

was                      ran  
flew                     dreamed  
expected                closed

When she \_\_\_\_\_ just a girl, she expected the world

But it \_\_\_\_\_ away from her reach

So, she \_\_\_\_\_ away in her sleep

\_\_\_\_\_ of para-para-paradise

Para-para-paradise, para-para-paradise

Every time she \_\_\_\_\_ her eyes

When she was just a girl, she \_\_\_\_\_ the world

But it flew away from her reach

And the bullets catch in her teeth

Life goes on, it gets so heavy

The wheel breaks the butterfly

Every tear a waterfall

In the night the stormy night she'll close her eyes

In the night the stormy night away she'd fly

Dream of para-para-paradise

Para-para-paradise

Para-para-paradise

She'd dream of para-para-paradise

Para-para-paradise

Para-para-paradise

Sing, la la la la la la la la

La la la la la la la

And so lying underneath those stormy skies

She'd say, "oh, oh, oh, oh, oh, oh

I know the sun must set to rise"

This could be para-para-paradise

Para-para-paradise

This could be para-para-paradise

(Oh oh oh oh oh, oh oh oh)

This could be para-para-paradise

Para-para-paradise

This could be para-para-paradise

Oh oh oh oh oh oh, oh, oh

This could be para-para-paradise

Para-para-paradise

This could be para-para-paradise

(Oh oh oh oh oh, oh oh oh)

This could be para, be paradise

Para-paradise

Para-paradise

This could be para, be paradise

Para-paradise

Para-paradise
