Activity 7

Classifying plants in the school compound

Method:

1. In small groups of three or four pupils, observe the different plants that can be found in your school compound.
2. Classify the plants you see as trees, shrubs and herbs. If you do not know the names of the plants, write a few words to describe them.
3. Use the table below to record your observations.

Plants in my school compound		
Trees	Shrubs	Herbs
