Lesson 12 **The shopping centre of tomorrow**

- What is your local shopping centre like? What is your favourite thing about it? Why?

Vocabulary

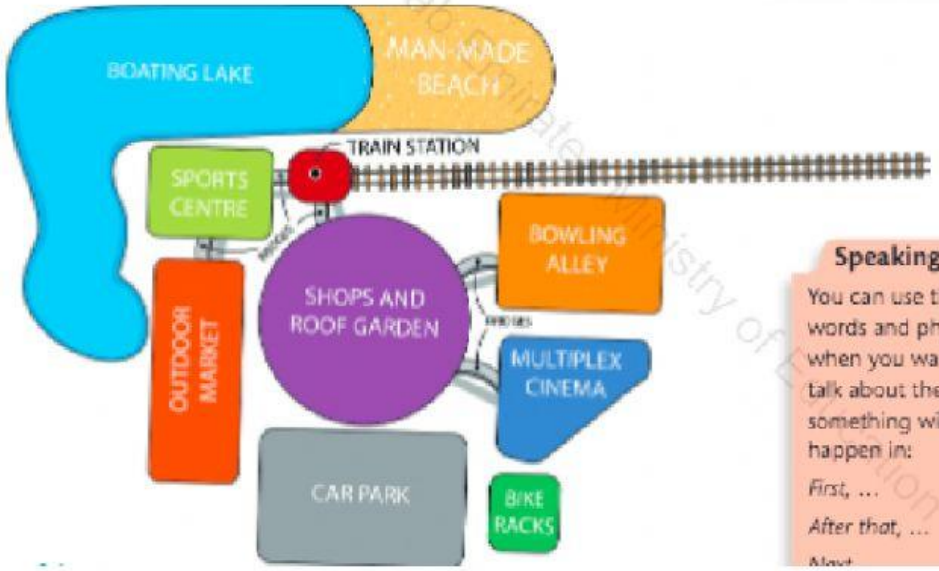

1 Look at the design for a future shopping centre and read the sentences below. Match the sentences to the places in the plan.

1 There will be a gym and a swimming pool in here. *sports centre*
2 It will have ten lanes.
3 It will have a department store, a supermarket and space on the roof where people can relax.
4 This is where people will leave their cars.
5 This is where people will buy fresh fruit and vegetables.
6 It will have fifteen screens, showing lots of different kinds of film.
7 People will hire rowing boats here.
8 The railway line will connect with the city centre.
9 This is where people will leave their bicycles.
10 These will connect the main buildings.
11 This will be the perfect place for relaxing and kite-flying.

Language tip

Remember to use *will* for future predictions:

This is where people will buy fresh fruit and vegetables.

Speaking tip

You can use these words and phrases when you want to talk about the order something will happen in:

First, …

After that, …

Next …
