Reading activity

Read the text and do the tasks.

Hi. I am Lily. I am at the beach now with my brother. His name is Tom. It is sunny today, but there are some clouds in the sky. The sea is warm. We make the sandcastle. Look, we have the bucket and the spade. My spade is green. Tom's spade is yellow. We find some shells in the sea and decorate our sandcastle with them! There are four shells: pink, yellow and blue. We find the pink starfish, it lives in the sandcastle. I have the hat and sunglasses, but it is too hot no – I don't want to wear them. We have the sun cream too. It's near the green bucket. There is the bird on Tom's head – it helps us to make the sandcastle.

What else do you see in the picture? Make the story!
