Love Street by the Doors

@LizaPrav

goals
listening
reading
writing
present simple

1 Watch and enjoy.

2 Watch and fill in the gaps

She lives on Love Street
Lingers on Love Street
She has and garden
I would like see what

3 Watch and put the lines in the correct order

She has me and she has you
She has me and she has you
Lazy diamond studded flunkies
She has robes and she has monkeys
She has wisdom and knows what to do
She has wisdom and knows what to do

4 Watch, find and correct the mistakes

I see you lives on Love Street

There this store where the creatures meet

I wonder what them do in there

Summer Sunday and year

I guess I like fine, so far

5 Watch and read the lyrics out loud.

"Love Street», the lyrics

She lives on Love Street
Lingers long on Love Street
She has a house and garden
I would like to see what happens

She has robes and she has monkeys
Lazy diamond studded flunkies
She has wisdom and knows what to do
She has me and she has you

She has wisdom and knows what to do
She has me and she has you

I see you live on Love Street
There's this store where the creatures meet
I wonder what they do in there
Summer Sunday and a year
I guess I like it fine, so far

She lives on Love Street
Lingers long on Love Street
She has a house and garden
I would like to see what happens

La, la, la, la, la, la, la
La, la, la, la, la, la, la
La, la, la, la, la, la, la
La, la, la, la, la, la, la
La, la, la, la, la, la, la

6 Match the words with their definitions.

7 Then read the words and the definitions out loud

a street	a funny person
a garden	an open-air place where plants usually grow
to happen	to be alive
a monkey	to be slow in leaving a place
to live	it comes from years of living and learning
to linger	a way in a city, town, or village with buildings along it
wisdom	it comes from years of living and learning
	to take place

8 Write about your friend.

Answer the questions to find some ideas:

What's her/his name?
Where does she/he live?
What does he/she have?
What does he/she do?
What is he/she like?
