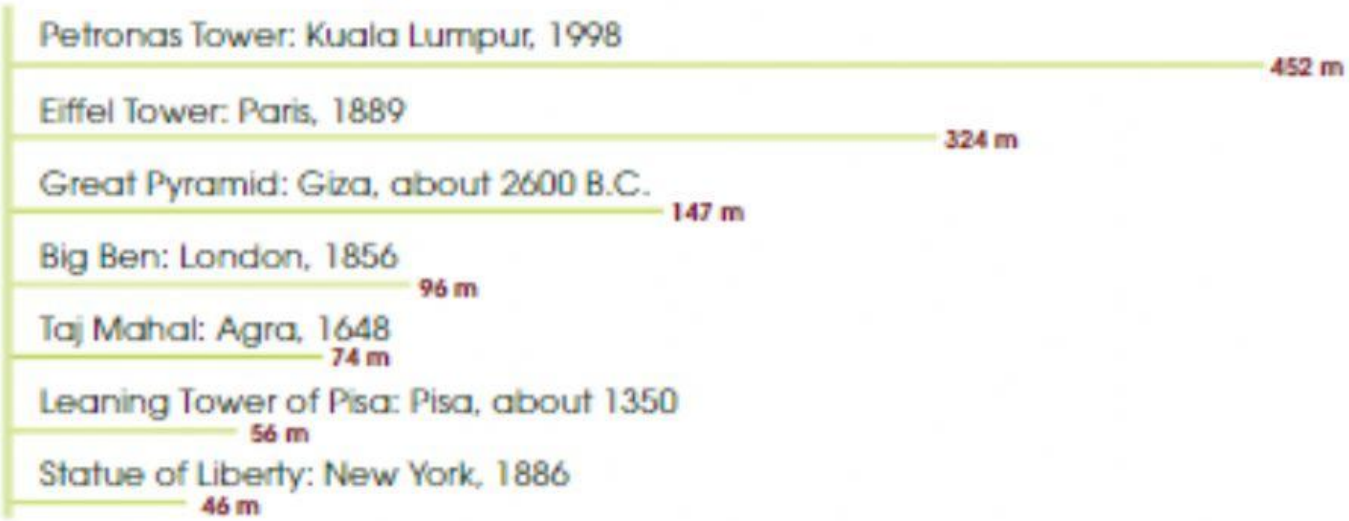

# Graphic Sources

- **Graphic sources** are used to show information visually. Maps, charts, graphs, pictures, and schedules are some examples of graphic sources.

**Directions** Study the following graphic source. Then answer the questions below.

1. Which is the tallest of these famous structures? Which is the oldest?

2. Which is the second tallest? Which is the third?

3. The Great Pyramid in Egypt was the world's tallest structure for 4,000 years. How tall is the Great Pyramid?

4. How does the Great Pyramid compare with the Statue of Liberty and Big Ben? Be specific.

5. Write a one-sentence summary of what this graphic source shows.
