

Using Commas

Use commas to separate more than two items in a list.

Keep in mind that items can be nouns, verbs or adjectives.

e.g. I need to buy mangoes, paw paws and limes.

N.B. there is no comma before "AND or OR"

Select the word that the comma should be placed after.

1. The children played sang danced or read in class.
2. The mouse the rat and the gerbil all looked very similar to me.
3. My mom made me clean my room do the dishes and walk the dog
4. I asked Johnaton Akira or Daniel to come over after school.
5. Don't forget to call your dad do your homework and fold your clothes.
6. Hayley Makailah and Caleb all earned a great score on the test.
7. This weekend I wore two shirts three skirts and four pairs of shoe:
8. On vacation I will visit Dominican Republic Bahamas and Grenada.
9. Is the water blue white brown or green in this picture?
10. Will you swim build sandcastles or run on the beach?
