Talk about your life.

Describe your life in the past, how it is now and what your future will be.

Ex.: *"Hi, good morning! My name is Alex Kent and I´m Mexican. I am 20 years old and I was born on September 25th, 1995 in Mexicali but I grew up in Sinaloa. When I was younger, I was short and chubby but now I am tall and well-built. I lived in Guasave for a few years but then I moved to Culiacan. I studied there for many years. A year ago, I moved to Obregón because I started the College. I am now studying the 4th semester of a major in Accounting. I study in the morning and work in the afternoon. I am a swimming instructor at Itson where I teach children how to swim. I think I will graduate in 2 years. When I finish my major I am going back to Culiacan and I am going to start my own accounting firm. I might get married in 10 years and I will definitely have 3 children."*
