Hand Puppets

Hand puppets are easy to make. You don't need many materials. First, find a paper bag and some colored markers. After you have all your materials, draw a face on the bottom of the bag. This is the part of the bag that folds up. This part will be the top of your puppet. Next add any other decorations you like. Draw a bow tie or glue on some buttons for eyes. Finally, put your hand inside the bag. Your new puppet is ready to use.
