

NUMB

I'm tired of being what you want me to be
Feeling _____, lost under the surface
Don't know what you're expecting of me
of

Every step that I take is another mistake to you
(_____, just caught in the undertow)

I've become so numb
I can't feel you there
Become so tired
So much more aware

I'm becoming this
All I want to do
Is be more like me and be less like you

Can't you see that
Holding too tightly, afraid to lose control?
Cause everything that you thought I would be
Has fallen apart right in front of you

Every step that I take is another mistake to you
(_____, just caught in the undertow)
And every second I waste is more than I can take

I've become so numb
I can't feel you there
Become so tired
So much more aware

I'm becoming this
All I want to do
Is be more like me and be less like you

And I know
I may end up failing too
But I know
You were just like me with someone disappointed in you ...

you're smothering me

so faithless

Caught in the undertow x2

Put under the pressure

walking in your shoes
