goals
listening
reading
writing
going to do

1 Watch, listen and enjoy.

2 Listen and fill in the gaps

Fall is here, the yell
Back to school, ring the bell
shoes, walking blues
Climb the fence, books and pens
I can tell that we be friends
I can tell that we are gonna be friend

3 Listen and order the lines

Walk with me, Suzy Lee
We will rest upon the ground
Safely walk to school without a sound
Through the park and by the tree
Safely walk to school without a sound
And look at all the bugs we found

4 Listen, find and correct the mistakes

Here we are, no else

We walked to school all by ourself

There's dirty on our uniforms

From chasing all ants and worms

We cleen up and now it's time to learn

We cleen up and now it's time to learn

"We're Going To Be Friends», lyrics

Fall is here, hear the yell
Back to school, ring the bell
Brand new shoes, walking blues
Climb the fence, books and pens
I can tell that we are gonna be friends
I can tell that we are gonna be friends

Walk with me, Suzy Lee
Through the park and by the tree
We will rest upon the ground
And look at all the bugs we found
Safely walk to school without a sound
Safely walk to school without a sound

Here we are, no one else
We walked to school all by ourselves
There's dirt on our uniforms
From chasing all the ants and worms
We clean up and now it's time to learn
We clean up and now it's time to learn

Numbers, letters, learn to spell
Nouns, and books, and show and tell
Playtime we will throw the ball
Back to class, through the hall
Teacher marks our height against the wall
Teacher marks our height against the wall

We don't notice any time pass
We don't notice anything
We sit side by side in every class
Teacher thinks that I sound funny
But she likes the way you sing

Tonight I'll dream while I'm in bed
When silly thoughts go through my head
About the bugs and alphabet
And when I wake tomorrow I'll bet
That you and I will walk together again
I can tell that we are gonna be friends
Yes I can tell that we are gonna be friends.

5 Listen, choose the right spelling

Numbers, letters / leters , learn to spell
Nouns / nowns , and books, and show and tell
Playtime we will throw / through the ball
Back to class, throw / through the hall
Teacher marks our height against the wall
Teacher marks our height against the wall

6 Listen, choose the right word

We don't notice / feel any time pass
We don't notice anything
We sit side to / by side in every class
Teacher says / thinks that I sound funny
But she likes the way you sing / bring

7 Listen, find the misplaced words and put them in the right place

Tonight while I'll dream I'm in bed
When thoughts go through my silly head
About bugs and the alphabet
And when wake I tomorrow I'll bet
That you and I will together walk again
I tell that we can are gonna be friends
Yes I tell that we can are gonna be friends.

8 Listen and read the lyrics out loud.

9 Match the words with their definitions.

10 Then read the words and the definitions out loud

a school	we put them on to cover our feet
a fence	it covers the Earth
fall	autumn, the season between summer and winter
shoes	it makes clothes not clean
the ground	very small animals
dirt	to get upper, towards the top of something
bugs	we put it around a garden to keep our dogs inside
to climb	a place for teaching and learning
to walk	to go on foot.

11 Write about what you're going to do tomorrow.

Answer the questions to find some ideas:

What time are you going to wake up?
Where are you going to go?
How long are you going tostay there?
What are you going to do?
Who are you going to meet?
