A. If you are bored with beaches, try Alaska. Our trip to America's largest and most northerly state was one of the greatest experiences of my life. We entered a different world. The scenery with its mountains 'and volcanoes was spectacular, particularly the dramatic Columbia Glacier, over 90 metres high. We. spent our final day in Anchorage, Alaska's largest city.

B. Yesterday afternoon a 35-year-old housewife escaped death when a tree blew and fell onto her house, completely destroying it. It was windy. She heard a strange noise coming from the tree. Suddenly the wind blew a little stronger, and she watched it crash onto the roof. The Bonnet family are staying with their friends while their house is rebuilt.

C. The third largest city in the United States, Chicago, is on the shore of Lake Michigan. Two rivers, the Chicago and the Calumet, run through the city, and canals link them with the Mississippi River, which flows down to the Gulf of Mexico. Ships can also sail from Chicago through the Great Lakes to the Atlantic Ocean. The climatic conditions of the city are very specific, because strong winds blow through it.

D. An American jet pilot took off from Fort Worth, but the jet's engines went wrong. The pilot ejected, but the plane didn't crash. The engines began working again. The jet flew for more than one hour over three states. Finally it crashed near Lincoln, Nebraska. It hit some trees in a field where a farmer was working. Fortunately, no one was hurt.

E. Last year I went to Spain for my holiday. I spent the first week in Seville, and then I took a train to Barcelona, where Г spent another ten days. It is a beautiful city and I had a marvellous time. I stayed in a very expensive hotel right in the centre, but I didn't mind spending a lot of money because it is a wonderful place and very convenient. My brother recommended it; he goes to Spain a lot and he never stays anywhere else.
