I remember the day I decided to join the Intergalactic Space Corps. True, I never expected that attending the training would be easy or amazing. But I never knew how tiring it would be practicing for the demands related to space travel. It helped that my parents repeated in their letters to me that they supported my decision. Knowing that I was united with my amazing new friends also helped. Before long, my fellow cadets and I were performing quite well. I even heard that an instructor re-marked that our hard work was resulting in one of the best classes she'd seen in years!
