

## Practice 4 Addition with Regrouping in Tens and Ones

1. Add and regroup the tens and ones.  
Show your workings.

### Example

$$488 + 123 = ?$$

First, add the ones.

$$8 \text{ ones} + 3 \text{ ones} = \underline{\underline{11}} \text{ ones}$$

Regroup the ones.

$$11 \text{ ones} = \underline{1} \text{ ten } \underline{1} \text{ one}$$

Then, add the tens.

$$1 \text{ ten} + 8 \text{ tens} + 2 \text{ tens} = \underline{\underline{11}} \text{ tens}$$

Regroup the tens.

$$11 \text{ tens} = \underline{1} \text{ hundred } \underline{1} \text{ ten}$$

Lastly, add the hundreds.

$$1 \text{ hundred} + 4 \text{ hundreds} + 1 \text{ hundred} = \underline{\underline{6}} \text{ hundreds}$$

$$\text{So, } 488 + 123 = \underline{\underline{611}}.$$

Write  $488 + 123$  in this way.  
Then, add.

$$\begin{array}{r}
 4 \ 8 \ 8 \\
 + 1 \ 2 \ 3 \\
 \hline
 6 \ 1 \ 1
 \end{array}$$

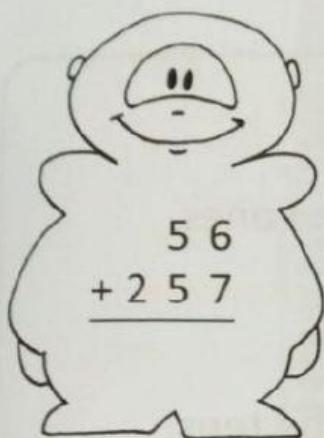

$$\begin{array}{r}
 (a) \ 5 \ 9 \ 7 \\
 + 1 \ 2 \ 5 \\
 \hline
 \end{array}$$

$$\begin{array}{r}
 (b) \ 2 \ 8 \ 4 \\
 + 5 \ 3 \ 7 \\
 \hline
 \end{array}$$

$$\begin{array}{r}
 (c) \ 9 \ 9 \\
 + 8 \ 0 \ 9 \\
 \hline
 \end{array}$$

2. Whose toys are these?

Add and match the owner to his toy.
