

READING

MULTI-REACTIVE

Read the text and choose the correct option about Spring Season characteristics.

Spring starts when the day and night are the same length. The weather gets warmer and sunnier. Trees and plants start to grow. Many animals have their babies in spring.

- A. The weather gets colder and windier
- B. The animals sleep.
- C. The days are shorter than nights.
- D. Trees and plants start to grow.

Read and complete.

Reuse and Recycle

1 Do you throw away a lot of things at home? That makes more trash, and trash isn't good for the **environment**. We can **reuse** and **recycle** things to help the environment.

2 Do you have a jacket that's too small or a bicycle you don't want? We can **donate** things to other people. Also, we can reuse **clean clothes** and toys. Give them to your family or friends!

enviroment

reuse

donate

recycle
