

A Complete the words and match.

penny _____n_ck_ld_m_qu_rt_rd_ll_rb_lls

B Circle the correct answer.

- 1 A penny / nickel is one cent. A dime is *five* / *ten* cents.
- 2 *Four* / *Five* quarters is one dollar. One dollar is *one hundred* / *one thousand* cents.
- 3 *Add* / *Subtract* a dime and a nickel, you have 15 cents.
- 4 *Add* / *Subtract* a quarter from a dollar, you have 75 cents.
- 5 \$2.25 *equal* / *equals* two dollars and twenty-five cents.

C Count and write.

= 55 cents

= _____

= _____

= _____
