BE SMART ON THE INTERNET

I do not give my personal data
or my family data unless my
parents agree.

I do not upload / post
anything online without
my parents' permission.

I don't answer strangers on the
internet and I don't
communicate with them.

I comment and upload posts
that do not reveal personal
data of me, my family, or my
friends.

I'm not telling anyone's
password.
