Keeping Me Alive

Jonathan Roy

You try to hold me down so I became a ----------
Built up all theses walls and now I'm climbing over
Those ---------- bees are tempting me
Oh Lord! but I ain't going back

You take me for a fool (fool), that doesn't make me foolish
Told me I was wrong (wrong), ---------- made you ruthless
Manipulate, It's just too late
Oh lord! 'cause I ain't going back no more
Your fueling of the flames gonna show you what I'm ---------- of

Breakin' every chain that you put on me
You thought I wouldn't change but I ---------- on you
'Cause I will never be what you ----------
This fire (this fire), this fire
Is keeping me alive

Making me believe I couldn't do without you
Make it hard to leave you think It's all about you
You know I'll never be what you wanted
This fire (this fire), this fire

I tried to get this weight off of my ----------
Built up all my ---------- I'm finally taking over
Complicate, I don't ----------
Oh lord! 'cause I ain't going back no more
Your fueling of the flames gonna show you what I'm made of

Breakin' every chain that you put on me
You thought I wouldn't change but I grew on you
'Cause I will never be what you wanted
This fire (this fire), this fire
Is keeping me alive

Making me ---------- I couldn't do without you
Make it hard to leave you think It's ---------- about you
You know I'll never be what you wanted
This fire (this fire), this fire
Is keeping me alive

Keeping me alive, keeping me alive
This fire (this fire), this fire (Is keeping me alive)

Breakin' me, shakin' me, shapin' me
Into what I never wanted, oh
Breakin' me, shakin' me
Makin' my beatin' heart a little stronger
(Stronger)
(Stronge baby)

Breakin' every chain that you put on me
You thought I wouldn't change but I grew on you
'Cause I will never be what you wanted
This fire (this fire), this fire
Is keeping me alive
