

## Advantages and disadvantages

‘The best thing about living in a city is that:’

There’s good n       . (= places to go at night, e.g. bars, discos, cinemas)

There’s a w   r    of shops. (= many shops selling different things)

You can get whatever you want. (= buy everything and anything you want)

There are lots of c       a       . (e.g. museums, concerts, films)

It’s c       . (= full of people from many different countries and cultures)

There are more j   o       . (= easier to find work)

‘The worst thing about living in a city is that:’

It’s very c       . (= full of people)

People are more aggressive. (= seem angry and very unfriendly)

It can be n    (opp quiet) and d       . (opp safe)

The streets are often d    (opp clean) and it’s p       . (= dirty air)

There’s t    c       (= too many cars) and parking is difficult.

There’s a high c    r   . (= number of crimes)

You have a higher c    of l   . (e.g. houses are more expensive, so is transport)
