## Advantages and disadvantages

```
'The best thing about living in a city is that:'
  There's good n
                       . (= places to go at night, e.g. bars, discos, cinemas)
  There's a w
                       of shops. (= many shops selling different things)
  You can get whatever you want. (= buy everything and anything you want)
  There are lots of c
                                    . (e.g. museums, concerts, films)
                   . (= full of people from many different countries and cultures)
  It's c
  There are more i
                                   . (= easier to find work)
'The worst thing about living in a city is that:'
  It's very c
                   . (= full of people)
  People are more aggressive. (= seem angry and very unfriendly)
                 (opp quiet) and d
  It can be n
                                           . (opp safe)
  The streets are often d
                           (opp clean) and it's p
                                                        (= dirty air)
                           (= too many cars) and parking is difficult.
  There's t
  There's a high c r . (= number of crimes)
  You have a higher c of l
                                 . (e.g. houses are more expensive, so is transport)
                                                          #LIVEWORKSHEETS
