

What do you remember?

Sasha South America Lucayans To escape the Caribs hammocks palm leaves
Their leader hunt farm fish huts paint
Christopher Columbus

Who is talking in the video?

What are her people called?

Where did they come from?

Why?

Who brought them their?

What did the members of her family do?

Where did they live?

Made of what?

Where did they sleep?

What did they do to keep the bugs away?

Who came to them in 1492?
