

U2 "Beautiful Day"

The _____ is a bloom
Shoots up through the stony _____
There's no room
No space to rent in this _____
You're out of _____
And the reason that you had to care
The _____ is stuck
And you're not _____ anywhere
You thought you'd found a _____
To take you _____ of this place
Someone you could lend a _____
In return for grace
It's a beautiful day
Sky falls, you feel like
It's a beautiful day
Don't let it get away
You're on the _____
But you've got no destination
You're in the _____
In the _____ of her imagination
You love this town
Even if that doesn't ring true
You've been all over
And it's been all over you
It's a beautiful day
Don't let it get away
It's a beautiful day (Ooh, ooh)
Touch me
Take me to that other place
_____ me love
I know I'm not a _____ case

See the world in _____ and _____

See China right in _____ of you

See the canyons broken by cloud

See the tuna fleets clearing the sea out

See the Bedouin fires at night

See the oil fields at first light

And see the bird with a _____ in her mouth

After the flood all the colours came out

Day, Day

Day, Day

It was a beautiful day

Don't let it get away

Beautiful day

Touch me

Take me to that other place

Reach me

I know I'm not a hopeless case

What you don't have, you don't need it now

What you don't know, you can feel it somehow

What you don't have, you don't need it now

Don't need it now

Was a beautiful day
