wires hurt force hair sockets work careful batteries flow lightning phones

Electricity is an invisible You cannot see electricity,
but you can see what it does! It makes
streak across the sky. It can make your
stand on end. Electricity can
through wires and make things work. We can plug
into things into in the wall. Electricity
flows through lightbulbs, computers, and
refrigerators to make them Some things
have in them to create electricity.
Flashlights and cell use batteries.
Be with electricity! It can
or even kill you. Never touch electric or sockets.
