Pizza Place - Reading

Yesterday we went to "Barbara's", a new pizza place in town. We were very pleased. Our booth was very comfortable. The pizzeria was very busy, but the service was very fast. We ordered a big pizza for our family. We also ordered some water. My grandma asked for some coffee, and my grandpa had some tea. Our pizza was delicious!
My brother and I had ice cream for dessert. It was very good.
Our portions were reasonable, and our bill wasn't high. It is a great place. Our family loved it!
