

Mandarin 1 Grammar Test (18 points-test)

Please type pinyin **in the box below** for answering the questions. You don't need to re-type the English questions. You only need to type in the American number and your answer. Make sure you have the correct number and order.

Please note: you are **not** allowed to use any translation website/tools to do this test. Pleco is also not allowed. If there is any word from translation/dictionary, you will not receive any points for that entire sentence. You are only allowed to use notes/word list from you received in class/I sent to you to do this test.

1. 2 ways of saying 3:45
