

Josh Groban - **The Impossible Dream**

courage rest try sorrow love
far true right heart glorious
better always brave dream star
reach yes scars hell question
fight right quest hopeless

To dream the impossible _____
To _____ the unbeatable foe
To bear with unbearable _____
And to run where the _____ dare not go

To _____ the unrightable wrong
And to _____ pure and chaste from afar
To _____ when your arms are too weary
To _____ the unreachable star

This is my _____
To follow that _____
No matter how _____
No matter how _____

To fight for the _____
Without _____ or pause
To be willing to march, march into _____
For that Heavenly cause

And I know if I'll only be _____
To this _____ quest
That my _____ will lie peaceful and calm
When I'm laid to my _____

And the world will be _____ for this
That one man, scorned and covered with _____
Still strove with his last ounce of _____

To reach the unreachable
The unreachable
The unreachable star

And I'll _____ dream the impossible dream
_____, and I'll reach the unreachable star
