### Down with Cats!

Cats make terrible pets!

First, as everyone knows, cats are hunters. They are related to lions and tigers. Today's house cats hunt mice, birds, and lizards just the way big cats hunt bigger animals.

Some people think this is a good quality. But I feel sorry for the mice that my brother's cat tries to catch. Of course, my brother's cat has never yet caught a single mouse. But someday I believe he might!

Finally, dogs are much nicer than cats. That is not just my opinion. It is a fact!
