## **Lower Primary Grammar Series**

# Singular & Plural Nouns 2

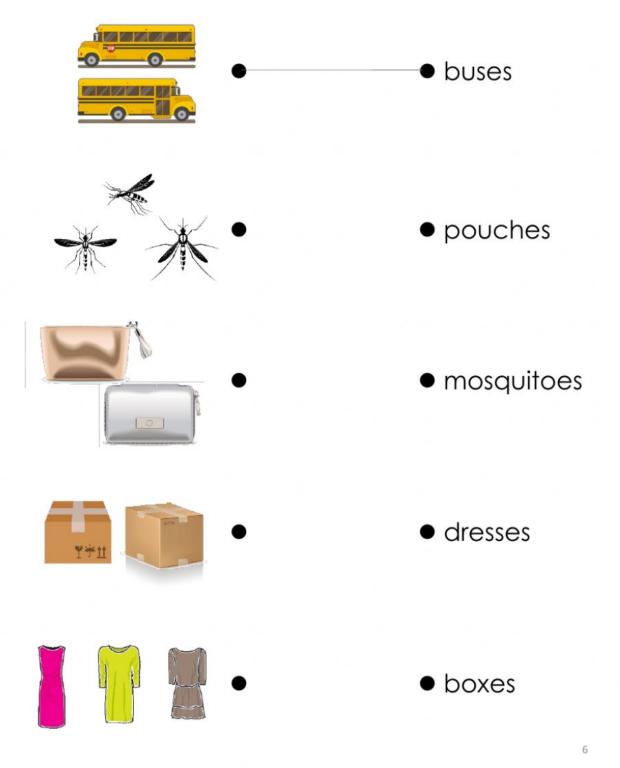

#### **Notes**

For most of the plural nouns, we add 's' at the back of the naming word to show that it is more than one.

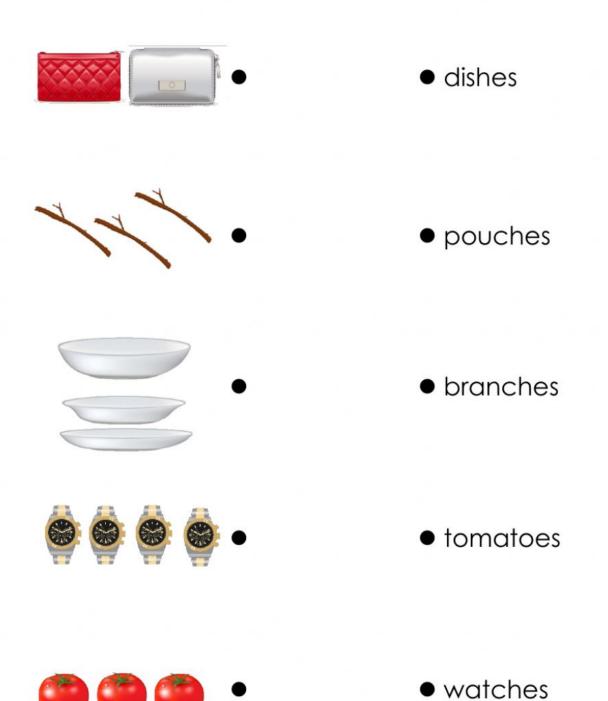

When you see nouns that end in  $\underline{s}$ ,  $\underline{x}$ ,  $\underline{z}$ ,  $\underline{ch}$  or  $\underline{sh}$ , we add  $\underline{(es')}$ .
