## Join the stars!

In pairs, read the focus questions and the text below. Be prepared to give your answers orally.

Welcome to the ITC School of Stage, where you will learn all there is to know about the performing arts. If you want to find out more about puppets, opera, film making or script writing, then we have a range of classes and workshops to suit you and your interests.

Our Basic Classes will introduce you to acting, dancing or singing while our more Advanced Classes will teach you how to write that award-winning play script or describe a scene. The Magic of Stagecraft class will help you to find out how to use lighting, create sound effects and build props that will make the stage come alive!

Our expert teachers from around the world have years of experience working in all parts of the theatre. They are here to help you do the best you can. Make use of their skills, our low prices and convenient class times to launch your entertainment career.

Come and join us and be a star!
