

## Animal body coverings

Look at the animals below.

▲ koala

▲ monitor lizard

▲ squirrel

▲ rabbit

▲ panda

▲ sea bass

▲ turtle

▲ kangaroo

▲ boa constrictor

1 Think of the body coverings of the animals on page 12. Place these animals into two groups.

Group A

Group B

2 How have the animals been grouped?

3 How are the animals in Group A similar to one another?

4 How are the animals in Group B similar to one another?
