

SHALL ?

very formal

It is used to make a **suggestion** **requesting permission or agreement**. It is usually used in question form rather than in a statement.

Shall we design some props?

Shall I open the window?

making suggestions

COULD

shows the suggestion as being an **option**.

We **could** we use blue paper
We **could** buy Laura a ring

It is usually used in **question form** and in **affirmative sentences**.

LET'S !

It is used to make a **suggest for a group including the speaker**

Let's play hide and seek!

Let's design the seal!

LET'S PRACTICE!

Read and write **Shall, Could or Let's**
