Conan Gray – People Watching	a) The past of laugh;
That wasn't funny but she A) so hard, she almost B) They're counting months they've C) together, almost 49 He's making fun of how she D) 'round the holidays She wears a ring but they tell people that they're not E)	b) The past of cry; c) The past participle of be; d) The past of act; e) The past of engage; f) The past of meet; g) The opposite of past (plural);
They F) in class for metaphysical philosophy He tells his friends, "I like her 'cause she's so much smarter than me" They're having talks about their G) until 4:00 a.m. And I'm happy for them (and I'm happy for them)	
CHORUS () But for now, I'm only people watching () Someday, I'll be falling without caution () Be that attached to the person I'm holding () But I wanna feel all that love and emotion	
sense hoping fence through clothing seriously	
I'm only looking just to live you vicariously I've never really been in love, not I had a dream about a house behind a picket Next one I choose to trust, I hope I use some common	
But I cut people out like tags on my I end up all alone but I still keep	
REPEAT CHORUS	
Cut people out like packs on my clothing I end up all alone but I still keep hoping I won't be scared to let someone know me Life feels so monotone but I still keep hoping Cut people out like tags on my clothes I end up all alone but I still keep wanting I won't be scared to let somebody know me Life feels so monotone but I still keep hoping	

REPEAT CHORUS
