- ( ) But for now, I'm only people watching
- ( ) Someday, I'll be falling without caution
- ( ) Be that attached to the person I'm holding
- ( ) But I wanna feel all that love and emotion

### REPEAT CHORUS

Cut people out like **packs** on my clothing

I won't be **scared** to let someone know me  
Life feels so **monotone** but I still keep hoping  
Cut people out like tags on my **clothes**  
I end up all alone but I still keep **wanting**  
I won't be scared to let **somebody** know me  
Life feels so **monotone** but I still keep hoping

### REPEAT CHORUS
