Practice 6 Subtraction with Numbers That Have Zeros

1. What type of jam does Sarah like?

   To find out, subtract.

(a) $1000 - 343$ = p

(b) $1000 - 764$ = y

(c) $2000 - 358$ = e

(d) $6000 - 1437$ = t

(e) $3000 - 2515$ = r

(f) $4000 - 1637$ = a

(g) $8000 - 5476$ = w

(h) $9000 - 5557$ = s

(i) $7000 - 1999$ = b

(j) $5000 - 2349$ = z

Then, match the letters to the numbers.

Sarah likes										
___	___	___	___	___	___	___	___	___	___	jam.
3444	4566	485	2363	2528	5001	1648	485	485	236
