9.- Escribe preguntas para las partes subrayadas de estas oraciones; la respuesta a cada pregunta debe ser la parte subrayada. Ejemplos:

My father's <u>washing the car</u>. . → What's your father doing?
My cousins are playing <u>football</u> in the garden. → What are your cousins playing in the garden?

Global warming is causing <u>a rise in the sea level</u>.

This represents <u>a serious threat</u> for many countries.

Low countries like the Maldivas Islands are putting into practice <u>emergency plans</u>.

Most of their territory is <u>just a few</u> metres above sea level.

They are building <u>an artificial island</u>.

<u>The government</u> is building cheap flats there.

Some people are moving <u>to this island</u>.

They prefer to move <u>because staying in their homes is too dangerous</u>.

They are building the flats <u>with ecological criteria</u>.

They are using <u>ecological</u> materials.

They want to teach the world an important lesson, <u>because they are not a rich country</u>.

In the developed countries we spend <u>our time and money</u> on other things.

We don't use our technology to help poor countries control CO_2 emissions.

We also emit too much CO_2 to the atmosphere.
