Reading: AT THE GROCERY STORE

Last week I went to the [1] _____ store. I needed to buy food. I needed everything so first I went to the [2] _____ section. I wanted to buy some sweet potatoes some lettuce and a bunch of [3] _____. Next, I wanted to buy some [4] _____. I went to the [5] _____ section. I looked at the beef. I looked at the chicken. The beef was too expensive, so I bought some chicken. I also needed some bread. I went to the [6] _____ section. I bought a loaf of bread. I ran out of yogurt, so I went to the [7] _____ section next. I looked at the yogurt. There were many flavors. I like strawberry the best, so I bought strawberry yogurt. I had to go down the [8] _____ too. I needed some pasta.

Next, I went to the [9] _____. I had a problem scanning my [10] _____. I asked for help. "Excuse me. My [11] _____ won't scan." The woman entered the price for the [12] _____. Next, I had to pay. I only had a few items. The total was $36.25. I wanted to pay with my debit card. I [13] _____ my debit card, but it didn't work. I inserted my card in the machine. This time, it worked. I took my [14] _____ out of the machine. I looked at the [15] _____ for mistakes. Luckily, there were no mistakes, so I took my [16] _____ bags and went [17] _____.
