Hi Sam,

How are you? I'm very excited because I'm in the mountains. It's hot and sunny. We go for a walk every morning. Dad has his binoculars and we can see all the wonderful birds. I've got a camera with me I'm a good photographer and I want to take lots of pictures. I've got my diary, too. In the afternoon we swim in the lake. In the evening my mum cooks dinner and it's always tasty. Yesterday we ate delicious rice with cheese. It's late now my parents are sitting under the tree. They've got a torch and they're reading their books. What are you doing at the moment?

Bye for now.

Jenny
